Alannah Ryan is plagued by an old face haunting her dreams, turning her waking hours into a mess of worry. Talking it out with the person she loves the most isnâ€™t a possibility, not when the same face haunts him, too.

To protect the love of her life from another burden, she keeps her fear to herself, even as that fear begins to consume her.

Damien Slater has the life he always wanted with the woman he adores by his side, but thereâ€™s a problem. His woman is keeping a secret, and they swore they would never let another secret come between them again.

Breaking Alannahâ€™s guard will be Damienâ€™s greatest challenge yet as he proves once and for all that he is in it for the long haul.

Alannah admires Damien, and what Alannah admires, Alannah watches over.
