When Nicholas Young hears that his grandmother, Su Yi, is on her deathbed, he rushes to be by her bedside--but he's not alone. It seems the entire Shang-Young clan has convened from all corners of the globe, ostensibly to care for their matriarch but truly to stake claim on the massive fortune that Su Yi controls.

With each family member secretly fantasizing about getting the keys to Tyersall Park--a trophy estate on 64 prime acres in the heart of Singapore--the place becomes a hotbed of intrigue and Nicholas finds himself blocked from entering the premises.

As relatives claw over heirlooms, Astrid Leong is at the center of her own storm, desperately in love with her old sweetheart Charlie Wu, but tormented by his ex-wife--a woman hell bent on destroying Astrid's reputation and relationship. Meanwhile Kitty Pong, married to billionaire Jack Bing, finds a formidable opponent in his fashionista daughter, Colette.
