Kevin Kwan, bestselling author of Crazy Rich Asians (soon to be a MAJOR MOTION PICTURE starring Constance Wu, Henry Golding, Michelle Yeoh and Gemma Chan) and China Rich Girlfriend, is back with an uproarious new novel of a family riven by fortune, an ex-wife driven psychotic with jealousy, a battle royal fought through couture gown sabotage, and the heir to one of Asia's greatest fortunes locked out of his inheritance. When Nicholas Young hears that his grandmother, Su Yi, is on her deathbed, he rushes to be by her bedside—but he's not alone. The entire Shang-Young clan has convened from all corners of the globe to stake claim on their matriarch's massive fortune. With each family member vying to inherit Tyersall Park—a trophy estate on 64 prime acres in the heart of Singapore—Nicholas's childhood home turns into a hotbed of speculation and sabotage.
